Re: Sanitary Sewer Service to Killearn Lakes Units I and II

Dear Mr. Waddle:

Thank you for your response of August 31, 2004 (as revised on September 1, 2004), to our inquiry regarding the Cooperative's capacity to provide service to Killearn Lakes Units I and II. We appreciate the information regarding the capacity study underway and the capital undertaking for the Cooperative to increase plant capacity. However, pursuant to the direction of the Board of County Commissioners at its meeting of July 27, 2004, this letter is to advise the franchisee that Leon County expects the Cooperative to provide the needed service to the area within the 24 month period. We are currently reviewing the obligations of the Cooperative under the County's regulations governing sewer and water franchises to determine what remedies are available in the event that the Cooperative is unable or unwilling to comply.

Should you have any questions, please do not hesitate to contact the County Attorney's Office.

Sincerely yours,

COUNTY ATTORNEY'S OFFICE
LEON COUNTY, FLORIDA

Herbert W.A. Thiele, Esq.
